DIVERSITY & INCLUSION

Our current recruitment strategy relating to diversity and gender balance ensures that we work to tailor our approach with the clients we work with, in order to present a diverse range of candidates from different cultures, backgrounds as well as personal and professional experiences.

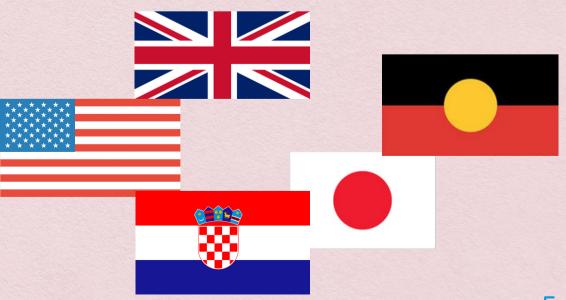

We do not discriminate based on race, sexual preference, cultural background or any other point of difference.

Parity's consultants' range in age from 28 to 55 and we believe this assists us in presenting a diverse range of ages when shortlisting candidates.

We also boast over 10 different nationalities in our office from Croatia, Hungary, Ireland, Japan and Greece to name a few! Victoria Butt, our Managing Director and Founder is also the Head of Diversity & Inclusion at Entrepreneurs Organisation Sydney.

WE HAVE INVESTED OVER \$1 MILLION IN THE LAST 8 YEARS ON INITIATIVES WHICH ADD TO OUR COMMUNITIES SKILLS, EXPERIENCES AND NETWORKS
